THE ANNUAL HELIOS 1936

FOUNDED 1892
VOLUME XLIV

CENTRAL HIGH SCHOOL
GRAND RAPIDS
MICHIGAN

Dedication

1911 - 1936

Twenty-five years Central has occupied its hill-top home. In commemoration of faithful service through these years, we, the class of 1936, dedicate this Annual to Mary Rebecca Powers as representative of a small group of teachers who, since 1911, have formed the nucleus of Central's teaching staff.

Yours a
Best at Luck
Harry Cleary

ROADS

*Narrow footpaths
widen, become lanes.*

*Little lanes
winding and widening
unite, for roads.*

*Country roads
broaden, lengthen,
turn and join,
are moulded into highways.*

*Highways are straight ways
where many crowd.*

*Who seeks the lure of quiet ways
must follow by-roads
that twine and twist
among old trees
beautifully still and tall.*

*Who seeks a shining long-seen goal
must find his way
past lesser aims
through milling crowds,
noisy marts,
sleepless motor cars.*

— MARGARET ELIZABETH CONRAD.

Class Motto:

"To thine own self be true"

Class Song

*Like ships that follow charted trails
Across the open seas
So will we raise our out-bound sails
Into the wide world's breeze.
For sunny shores and harbors deep
Beneath the calm blue sky
We'll sail away and ever keep
Memories of Central High.*

Chorus:

*The years will come and each will find
His separate goal and path and strife;
But often we will call to mind
These portals that led out to life,
These years of pleasant work and play,
These friends that helped us on our way.*

*The ship is launched, the tide is high
And we must put to sea
Each with the strength to nobly try
To win his victory.
Rich cargoes are the memories
With which we sail away
Of teachers, friends and families,
Of love beyond repay.*

*Our days at school, the friends we knew
The dreams that were our own,
To these we shall be ever true
When from these ways we roam.
A voyage long we now begin,
The storms will blow and wail,
But if our strength endures we'll win
The ports for which we sail.*

The Junior-Senior Prom

THE students of Central and the neighboring high schools were treated to a highly entertaining evening of dancing at the Junior-Senior Prom which was presented Friday, April 3, by the Junior and Senior classes of Central. One of the finest orchestras of the city furnished a delightful program of dance music. A large crowd attended and financially the dance proved a great success. This is the second year in which the Prom has been presented and it is hoped that it will become an annual event in the years to come. It also serves as a fine opportunity for creating cooperation between the two classes and is an event which will long mark Central among the leading high schools of the city.

Junior Class

THIS year the Junior Class has undertaken several activities of importance. At the first of the school year the Juniors assisted the senior class in putting on the Senior One Act Plays. Juniors were appointed on committees, but did not take part in the acting. A major service to the school was performed by the class in taking care of the business end of the annual Vodvil. This Vodvil turned out to be the greatest success in many years. For the first time, class rings have been purchased in the Junior year, this being one of the main projects of the year. At an early meeting faculty advisors were elected, consisting of the three Junior session room teachers, Miss Inglesh, Mr. Robinette, Mr. Coryell, and also Mr. Newcomer and Mr. Conger. For the second successive year the Junior-Senior Prom was presented, which was the social feature of the year. As a result of this year's projects the class is very well prepared for the activities of its following Senior year.

Junior High Literary Staff

THIS marks the second year of the Junior Literary Staff, another important group helping to make the monthly Helios a success as a publication representing Central. It is composed of those seventh, eighth, and ninth graders who are interested in writing stories and poems for the Helios. Regular meetings were held every other week when contributions were read, discussed, and selected for printing. Those who were particularly interested in writing Event and Comment wrote funny incidents about their Junior High classmates. The staff has given many of the younger students, who otherwise would not join the older staff, a chance to express themselves and help in making the Helios. The Tadpole Section, as the Junior Staff's section is called, has done much in awakening junior interest in the Helios and has greatly widened its distribution in the Junior High. The work of Cora Roelofs, Assistant Literary Editor, has been a large factor in the success of the Junior Staff.

Helios Board

THE Helios Board decides the policies and program of the Helios monthly and annual. This year the Board decided to carry on with the large size magazine, an innovation, of last year. It was further decided that in view of the shortness of the school term, only seven issues should be published, the first to be dated November and the last May.

In regard to the annual, the Board decided to go the limit in putting out the best annual since before the depression. Accordingly, stiff leather covers were purchased, and an exceedingly high grade paper used. Further, this year's annual is twenty-five pages larger than recent numbers. Some new departures were made in photographic technique, and all in all the Helios Board feels that it has put out a thoroughly modern and successful year book.

The personnel of the Board is as follows:

Albert Kempter.....	<i>Editor-in-Chief, Chairman</i>
Benj. Litscher.....	<i>Associate Editor, Secretary</i>
George W. Loomis.....	<i>Business Manager</i>
Donald G. Denison.....	<i>Advertising Manager</i>

Student Council

WORKING under a newly drafted constitution, the Student Council has this year made real progress in the accomplishment of its aim; namely, school government and discipline by the Student Body.

Joint meetings of the Senior and the Junior Councils have been held once a month, while each Council has conducted separate weekly meetings. Both groups owe a debt of gratitude to Miss Klanderman and Mr. Ashley, faculty advisers, for their helpful advice and guidance.

One of the most important projects of the Councils has been the sponsoring of assemblies. The pep meetings have been most capably supervised by Central's Inter-High School Student Council representative, Edward Hailwood. Order in the halls has been maintained by the Senior Council's system of monitorship, and the beauty of the building enhanced by the plan for removing obsolete advertising and by the clean-up campaign which was inaugurated. A schedule for club meetings, which proved very workable, was also arranged, and several class problems brought before the Councils were successfully adjusted.

Following a recent suggestion of the faculty, the Councils have become much interested in a proposed method whereby school activities and responsibilities can be shared by a greater number of students. It is the hope of the members of this year's Councils that their successors may be able to develop such a plan, thus promoting and maintaining a spirit of democracy in Central High School.

OFFICERS

National Honor Society

MEMBERS of the National Honor Society are chosen twice each year, under the direction of a secret faculty committee. Candidates must be from the upper fourth of their class; fifteen per cent of the graduating class may be elected. Elections for Central's highest honorary society are based on scholarship, character, service, and leadership.

Meetings are not held regularly, but at the president's call. It is a pleasant custom of the chapter to have an annual dinner for active and graduate members at the close of the year. The activities of the organization are carried on under the direction of a faculty council, consisting of Miss Mary R. Powers, Miss Alicent Holt, Miss Florence Powers, Miss Nellie M. Hayes, Mr. A. LeGrande Albee, and Mr. Allan B. Robinette.

Among the activities of the Society this year are the usual erection of the illuminated wreath over the front entrance at Christmas, an after-school dance, and the sponsorship of the Lost-and-Found department.

Debating Squad

THE question debated by Michigan high schools during the past season was the following:
"Resolved, that the several nations should make government monopolies of the manufacture and sale of all combat instruments of war."

Central experienced many interesting debates with the following high schools in the city contest: South, Ottawa, Christian, and Davis Technical High. Besides these the date team met Big Rapids, Grand Haven, Muskegon, and Calvin College. All preliminary contests were non-decision, according to the coaches' agreement.

Central was host to the city tournament, which closed the league season. Our team took the negative side of the question. The team was composed of Edward Everett Hailwood, Dean Dykstra, and Gerald William Middy. The team won third in the tourney, thus winning for the third time in the school history the right to enter the state elimination series. Although the team was defeated in its first contest by Kalamazoo, at Grand Rapids, Central was awarded the third plaque from the University of Michigan for excellence in debate.

The season was one of the most successful in forensic history at Central, and Lester DeKoster should be highly congratulated on his first year as Debate Coach.

Classical Club

THE Classical Club, Sigma Chi, was organized for the purpose of furthering interest in Roman life and customs. Only third and fourth year Latin students and the first year Latin award winner are eligible for membership in this club; however this year, for the first time, second year students having an average of "C" in Latin have been invited to attend some of the meetings. Meetings are held the first Wednesday in each month and interesting programs are presented, usually by the students. In addition to the regular meetings, the annual supper was held in February. The Classical Club invited advance Latin classes of other schools to a talk given by Miss Dorothy Blake on the Horatian Cruise and Pilgrimage.

A prize of five dollars is awarded by the club for the best work in first year Latin, and the Eta Sigma Phi medal for best work in fourth year Latin. Under the excellent supervision of Elizabeth Karshner the club again sponsored a book exchange for students at the beginning of each semester. We wish to thank Miss Mary R. Powers and Miss Alicent Holt for their fine work as sponsors.

Agona

MEMBERSHIP in the Agona Club does not consist merely of going out for athletics but also requires a B scholarship average. The Club attempts, by its high membership requirements, to encourage scholarship and athletics. Toward this end two cups are given, the Junior Agona Cup for the girl in the ninth grade who has earned a letter and who has the highest scholarship average and the Tri-Honor Cup which goes to the girl in the Senior class rated highest in athletics, scholarship, and leadership.

This year, as before, the Agona Club sponsored the All Club Banquet.

Sock and Buskin Club

THE Sock and Buskin Club is the dramatic organization of Central High School and is composed of students who wish to prepare for the dramatic activities of the school. It is the purpose of the club to give to its members practical experience along dramatic lines. To be eligible one must be in his second semester of public speaking, and he must have maintained an average of "B".

The second Thursday of each month the club holds a supper meeting, at which time entertainment is presented along dramatic or public lines by the members. Each fourth Thursday, the club holds a regular business meeting.

The club has been represented in the Vodvil, the Senior One-Acts, and the Senior Play; this is an indication of its ability as well as its usefulness to Central.

We have established a custom of presenting in memory of Mrs. Ethel K. Nistle, the Ethel K. Nistle Award to the senior of the club outstanding in public speaking and dramatics. Mrs. Nistle, who remains an undying inspiration to the club, was responsible for its revival, and we hope to continue to uphold her standards of loyalty and achievement.

Deltathenian Club

THE Deltathenian Club is an honor society for Central's most skilled exponents of debate, oratory declamation, drama, stage craft, and extempore speaking. The requirements for eligibility are strict. A candidate must have been a varsity debater, played a prominent role in one of the senior plays, or won the school contest in oratory, extempore speaking, or declamation.

This year Deltathenian has been an extremely active organization. Along with Sock and Buskin, it sponsored the annual vaudeville, and among its members has numbered the stage manager, scenery manager, electrician, nearly all the players of the important roles of the senior play, the varsity debaters and the Numeral and Class Day orators.

Central High Chess Club

THE Central High Chess Club, charter member of the Grand Rapids Inter-High Chess Association, had an interesting and successful season this year. The five man team won the Inter-High Tournament this year with an average of 800 in games won. Because of a marked increase in interest for the game, the play was very close. The tournament lasted over a period of twenty weeks, going two whole rounds, with one match a week, and including eight competing schools. A chess trophy was presented to Central by the Chess Association. The team was composed of Clinton Ledford, James Ledford, Paul Jepson, Albert Grau, Norman Smith, and Ralph Friedrich.

C Club

THE purpose of the C Club is to promote athletics in the schools, to engender the highest type of sportsmanship in athletic contests, and to create a feeling of fellowship among athletes. It is an honorary club composed of those who have won major letters in football, basketball, or track.

The C Club sponsors a sports assembly once each semester for the purpose of awarding letters for the various sports of the school year, and takes charge of the annual session room track meets. In the spring of the year the "C" Club gives a beach party for all the members and their guests at which elections of officers and initiation of new members take place.

Math Club

THE Math Club is composed of those pupils who have averaged "B" in two years of Senior High School mathematics and who are taking some higher form of this subject. The club was organized to promote students' interest in the many branches of mathematics.

Meetings are held the fourth Wednesday of each month, a supper meeting being held once each semester.

Every year the Math Club presents an award of five dollars to the pupil who has attained the highest record in seventh, eighth, and ninth grade mathematics. To its sponsor, Miss Dora W. Reese, the Club is greatly indebted.

Le Cercle Francais

"LE CERCLE FRANCAIS" was founded in 1929 to promote interest in the language and customs of the French people. The club is now a flourishing organization composed of those students interested in French who have completed two semesters of French with a B average.

Meetings have been held on the third Wednesday of each month, at which various programs have been presented including marionette shows, games, and plays. At one meeting, the members had as their guests the Junior College French Club; at this meeting some of the members presented a marionette show. Soon after the Junior College students invited this club to attend a play presentation at which time tea was served.

The club is greatly indebted to Miss Powers and Miss McKenzie for their able guidance and interest.

Hi-Y

THE HI-Y is open to all high school boys who are willing to live up to its ideals of clean speech, clean athletics, clean scholarship, and clean living. It meets every Monday evening at the Y. M. C. A. Building and these meetings are made profitable by talks given by prominent business men on worthwhile topics.

During the last year the Hi-Y has taken care of the Lost and Found, which it established; operated the scoreboard at the football and basketball games; presented an assembly; sponsored Foxwell, the Magician; and sent delegates to the Older Boys' Conference at Jackson. Also it presents the Gorden Scott cup each year to the senior boy who stands highest in athletics, scholarship, and leadership. Mr. Robert Augustine of the Y. M. C. A. and Mr. Wilson B. Ashley have served throughout the year as club advisers.

Domecon Club

THE Domecon Club, the Home Economics Club of the school, organized in 1929 with a membership of sixteen, now boasts sixty members. Its purposes are to advance the social and professional welfare of its members, promote personal development of the girl, form a connecting link between home and school, and foster a greater appreciation of Home Economics.

Those who have had a semester of Home Economics, and have an average of "C" in all subjects are eligible to membership. The Club is affiliated with American Home Economics Association and the State Association. It received the honor of being asked to contribute an article about its activities to the American Home Economics Journal.

The program for the year was planned with the aim of carrying out the ideals suggested for Student Home Economics Clubs by the State and National Association, namely—(1) something for the club girl, (2) something for the club, (3) something for the school.

Among the year's activities were a Formal Initiation Banquet at which Miss Dalby from England spoke on "English Schools," a demonstration on "How to Entertain your Crowd," a talk on "Lamps Through the Ages," and a Christmas Party at a member's home.

The Club thanks their sponsors, Miss Alice M. R. Gillette and Miss Elsa Gleye for their very successful year.

The A Cappella Choir

THE A Cappella Choir is the ultimate goal of almost all people studying vocal music here at Central. The season was started under the direction of Mr. Gilliland but when he secured the assistant professorship of vocal music at Ohio State University, the job was ably carried on by the new director, Mr. Barr. Under his tutelage the choir has increased its repertoire by mastering several difficult numbers. During the past year the choir has contributed no small share of entertainment at Central. It took part in the Nativity, in assemblies, and had a representative group in the Vodvil. It sang for the Parent Teachers Association and also took part in the Choral Concert given by the combined high school choruses of the city at South High School auditorium on May 5th. Later on the 15th of May, it aided in the Concert given by the vocal department of Central.

Two subsidiaries of the choir are the Vocal Ensemble, a group of sixteen mixed voices, and the Boy's Octette. The former group, among its activities, sang at a tea at the Pantlind Hotel, while the octette contributed its part of a program at Holland High in an exchange of assemblies with that school.

Booster's Club

THE organization was formed at the beginning of the second semester this year with Mr. Coryell as sponsor. The purpose of the club is to foster greater enthusiasm and school spirit throughout Central High School.

The original members of the club, known as the "Hilltoppers" were chosen by various session room teachers and were approximately twenty in number. However, it was soon found that this number was too small to fill the need. A larger group known as the Boosters Club was then organized.

The club is rapidly coming to the front as one of the most active clubs in the school.

R. O. T. C.

THE R. O. T. C. as a military organization is excellent. But as a builder of character and leadership it is even better. It also establishes habits of cleanliness, personal conduct, and self-control. When a boy, who has attained for himself some degree of leadership, leaves the unit, he is equipped with those qualities which make for a good leader in the social and business world.

This year, under the competent instruction of Captain John Baker, U. S. A., some changes have been made in the unit. The most important of these changes being the addition of girl sponsors to the company and the enforcing of a new ruling which makes it necessary for all cadet officers to maintain a high scholastic standing. Through the addition of sponsors it is anticipated that the boys will lose a sense of self-consciousness and that an improvement in their appearance and drill will be noticed. And with the addition of the ruling concerning scholastic standing it is hoped that the cadet-officers will consist of a class of boys that can maintain a standing above average.

Senior Orchestra

THE Senior High Orchestra, under the direction of Mr. M. A. Petrilli, is a group of students of the Senior High School interested in instrumental music and who play some instrument. This group plays for the assemblies and for all the senior plays and other outside activities.

The Orchestra has given several numbers in assemblies. Mr. Petrilli has given the Orchestra a wide variety of numbers this year and it has played several concerts for different organizations outside of school.

The Orchestra has played two concertos with Ollierae Bilby as soloist. From this orchestra has sprung the Central High String Ensemble composed of Coletta Herp, pianist; Roberta De Vries, cellist; Betty Stadt, Barbara Ross, and Eleanor Bogert, violinists. This group has played for functions outside of school.

Phy-Chem Club

AFTER being inactive for one year the Phy-Chem Club has again become one of the largest clubs in Central. Membership is limited to those who have received an average of "C" or above in Chemistry or Physics, and have had one semester or more in either of these subjects. Under the leadership of its faculty advisers, Mr. Barber and Mr. Newcomer, to whom the club owes a debt of gratitude for their help and advice, this organization seeks to promote a greater interest in the wide field of practical, modern science. Meetings are held the first and third Monday of the month. The second meeting of the month is a supper meeting held at the home of some member who wishes to entertain the club. One of the most interesting events of the year was the trip through the Corduroy Tire Company.

The Field House

THE writer's memory goes back to about 1920 when the field was merely used for practice, and a walled up room in the corner of Diamond school served as a team room. In 1923 a new field house was built which was a considerable improvement. It was inadequate in many ways, however, and the need was soon felt for another structure.

With the improvement of Julius Houseman field as a federal project, the old field house was razed to make room for an addition to the bleachers. Consequently the way was paved for the beautiful new structure. It is sturdily constructed of brick and concrete, and provides ample shower and locker facilities, as well as offices and dressing rooms for both our own and visiting teams. In the basement is a modern heating and hot water plant.

Architecturally, it is a beautiful building, set on the west end of the field, overlooking the broad turf and cinder track. Central can well be proud of this handsome and useful structure, which should serve men of Central and their opponents for many generations.

Athletic Board

AS the faculty supervision for all school sport, the Athletic Board is the most important organization connected with Athletics outside of the coaching staff. In recent years the board has been extended to include the coaches of the various sports and all teachers who have helped in one way or another. Among the functions of the board have been those of handling the financial end and ticket sales of all major sports, of caring for Julius Houseman Field, and of advertising for various meets and games. Most men teachers of the faculty are on the board, and such interest by the teachers of the school does much to stimulate public interest in the sports. Their conducting of track meets, including the regionals, is largely responsible for the success of those meets.

Superb blocking—Charon through Creston line

Football

COACH Harold Steele, beginning early in September with a small squad of handpicked veterans and experienced second team men, built his light but fast team into Central's second city championship outfit in four years. Central was overlooked as championship material by the fans in the early part of the season because of the lack of returning line material, but soon developed into the surprise team of the season.

The backfield consisted at the opening of the season of Captain Johnny Buth at full, Withrow and Charon at the halves, and Jackie Barrows calling signals. All were lettermen. Bob Stobler at right was the only veteran line man, but Bob Anderson, a reserve back who won a letter last year, was changed into an end and proved of real worth at that position. The rest of the line from tackle to tackle was entirely new, built mainly from reserve and second team backs and ends.

Opening the season with the class C school, Lake Odessa, Central's track team scored a topheavy 53-6 victory. The game was an exhibition of ragged football with mediocre blocking. Johnny Buth led the scoring with sixteen points.

Saginaw with its tricky shift, gave us our first bump of the season, 13-6. Central had it all her own way during the first half, with Johnny Buth plunging over for a touchdown in the second quarter, but a fumble and an intercepted pass in the last period lost the game. The new line looked capable, and the backfield performed brilliantly at times; its lapses in the second half could be laid to early-season jitters.

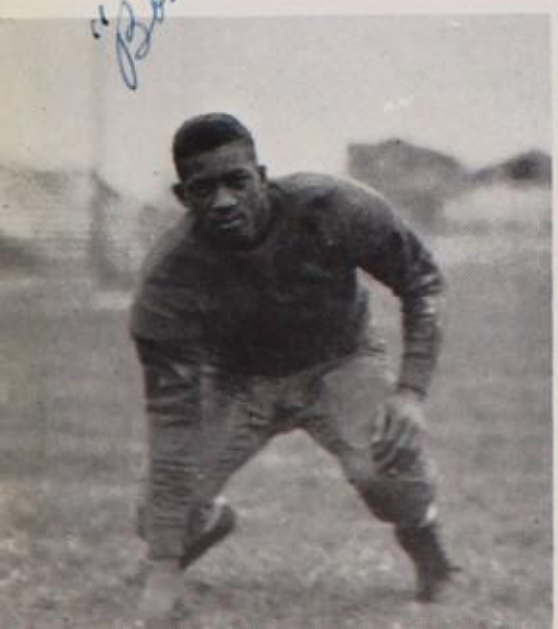

The following week, the annual nightmare with Catholic rolled around, and, as

usual, the jinx, aided by Johnny Buth, gave Central a hair-breadth 13-12 victory. Buth scored two touchdowns and kicked a point after, thus winning the game over the team that was among early-season favorites for the city title. All during the second half, Catholic rode through the right side of Central's line, but Buth's punting and plunging held them off until the game ended.

Picking Union as the one team in the city they most wanted to beat, Central played the inspired football that any team is capable of only once or twice a season, and completely outclassed the west-siders, 14-0. Bob Anderson, seconded by Rahn and Buth, presided at the festivities. Anderson blocked two punts and helped Rahn to stop the famed Union power smashes. Buth again was the big offensive threat, plunging over for two touchdowns besides doing a good job of kicking. Two new substitutes—Hubbard, who replaced Ripmaster, injured in the Catholic game; and Mac Kercher, who went in for Charon because of better defensive ability—also showed up well.

Tech succumbed to an accurate second half passing attack by a 14-0 score in a very close game. The first counter came when Barrows flipped the ball across the line to Buth who sprinted twenty yards to the goal line. A few moments later, while Tech was pondering over the question of whether Buth would pass or run, Johnny lobbed the ball high overhead to Anderson in the end zone.

Creston, boasting a fine passing attack, came up to Julius Houseman field after Central's open date and saw Central flash a splendid passing game after their own had failed to score. Although Johnny Buth was hurt seriously in the first quarter and was forced to leave the game, the boys stemmed a dangerous thrust and came on to win by a 13-0 score. Charon replaced Buth and played brilliant football all afternoon, kicking

and completing passes all over the field. In the last quarter Anderson crossed the goal line on an end-around play, and at the close of the game Mac Kercher scampered fifty yards through the center of the line for another score.

Taking advantage of an open date, the boys from South spent the afternoon spotting their home-coming day opponents. They figured that with Buth out because of his Creston game injuries, they had an even chance of winning over the league leaders, provided they detailed three men to take care of Anderson. Unfortunately for us, they were right. They scored on the first play on a sixty yard run, but the Hilltoppers fought back hard with the score against them for the first time all season and knotted the score at six all at the end of the half by a spectacular pass attack. Barrows climbed high into the air for Anderson's long pass. Another to Anderson a second later netted a touchdown.

Then, in the fourth quarter while Withrow was plucking daisies and Tom Hubbard was, through no fault of his own, flat on his back, South flicked a shovel pass to its flashy star Devereaux, who skipped the last fifteen yards to the winning touchdown. Desperate defensive play by Withrow, Charon, and MacKercher aided Central's cause, but the lack of Buth's high punts and his plunging ability was felt.

Acting Captain Withrow and his mates fought their way through a brutal combat to clinch a share in the city crown by defeating the rehabilitated Ottawa team, 20-12. Central's ability to intercept passes was the margin of superiority in a contest of many injuries, particularly one which kept Stobler out of the Muskegon game.

To close the season Central became gummed up in the Muskegon mud and lost a sloppy but close game 14-13. A fumble of a very wet pass, and a blocked punt gave Muskegon eight points early in the game. Rex Mac Kercher ended a first quarter drive

by plodding the last twelve, wet, weary yards through left tackle for six points to even up the game a little; then in the third quarter Barrows jerked his feet free of the mud and startled the natives by one of his circus catches of Buth's pass for another touchdown to put Central in the lead. However, another blocked punt lost the game. Johnny Buth returned in this game and did effective service, as did little Jackie Barrows. Mac Kercher and Bob Anderson were also rather fortunate in skidding and slipping past the big Muskies.

The final tabulations show Central won six and lost three and shared the City championship honors with South. The team scored 149 points to 70 for the opposition, and Johnny Buth piled up 55 points in the first five games before the Creston game, when he was injured. Sixteen boys won letters, of whom eight will return for duty on next year's team which will be captained by Bobby Anderson, left end.

The 1935 team was a fine example of what team work, hard practice, and spirit will do. Several of the boys, particularly Bob Stobler, Peewee Merdzinski, and Jackie Barrows overcame physical handicaps by scrappiness and persistence, and proved to be valuable assets to the team. Injuries also held back the team from achieving even greater honors than they did. Such boys as John Buth, Ed Ripmaster, Bob Stobler, and Joe Boss were lost for important games, or long stretches in midseason.

Mr. Steele took stock of the abilities of his squad and developed the style of play that best suited his material; a fast charging defensive line of ball-hawks, a quick striking running game, a dazzling but consistent passing attack, and a fine punter. Fine coaching, fine boys, and fine team spirit naturally resulted in the fine 1935 Central High School football team.

Basketball

THE cold December breezes blew all the football fans indoors to watch the basketball team fight their way through a fairly successful season. Coach Conger had only three lettermen to start the season with, Bill Waltman, Johnny Buth, and Darcy Stout. The second team furnished King, Charon, Barrows, Geske, Ogren, and Stobler as likely material. The first glimpse as to how the team might shape up was out at East, where Jackie Barrows and Darcy Stout each donated eight points to lead the way to a 25-17 victory.

The city league race opened at Catholic with a fairly easy win, due mainly to Waltman's ten points. The next game, however, was not so easy. The Tech basketball team ran away with the game during most of the last half, but the boys in yellow came from away behind to tie it up, and then Waltman added four points in the overtime to take the game, 27-26. At this point, Central was leading the city, with two wins and no losses.

The next three games dispelled all hope of challenging for a top position at the season's finish. First, Creston dished out the worst defeat of the year, 34-8. Waltman plunked in the only Central basket all evening, and added three fouls to lead the scoring. Ottawa followed up, and in spite of the new uniforms and a large, very enthusiastic crowd, edged out a hard earned victory. A trip to Union only added to the woe, for the Red Hawks fooled around to a nine point victory over our boys. The scoring, such as it was, was pretty evenly split up in these three games, but King seemed to have garnered the most.

South's cellar champions came over to argue with the officials for a while, and then settled down to business and threw a scare into the boys, but Central was saved by the gun and took a 30-29 decision. The fourth quarter of that rough and tumble game saw South score eighteen points to Central's five. Only two fouls were made by Central, both by King, high scorer of the evening. Incidentally it was Johnny Buth night. Johnny played a fine floor game.

A journey to the Tech gym, which is tucked away in the attic, only served to push the boys farther down in the percentages. The return visit by Creston, however, showed that the Hilltoppers were not downhearted a bit. The team vowed to avenge the early Creston defeat, so Bill Waltman went on a fourteen point spree and everybody else threw in a couple of points to stretch it into a smashing 40-26 win. Catholic also helped the cause by fumbling and stumbling enough to allow Waltman's aids to assist him to another win. However, the next week Union romped away to a fifteen point win. Louis Charon made six points.

Ottawa went places in the second half after a hard fought first half. Waltman returned to form and tossed in nearly a dozen points. The season closed with a 26-18 win over South. Jackie Barrows surprised everybody by garnering twelve points in a game that was played without the center jump during the first half.

The final standings gave Central a three way tie for third with six wins and six losses. The outside victory over East boosted the season mark over an even split. In the regionals Central was so unfortunate as to draw the city champion Union team and was forced to take it on the chin again.

Track

COACH Harold Steele again put a strong track squad through its paces to challenge the supremacy of South's reign. Led by five returning lettermen, the squad went through a victorious season and into the regional and state meets. Bob Anderson proved to be the backbone of the team, performing in the dash, broadjump, and relay events. Bob was one of the best dash men in the city. Being consistent, Bob leaped over twenty feet. Jack Barrows was also a standout broad-jumper.

Two other lettermen who performed capably for Central were Keegstra and Cummings in the high-jump. Keegstra, high-jump ace, was also a fine hurdler. The last returning letterman was Charon, who with his long stride easily ranked high among the city's half-milers. In the quarter mile, Bob MacKercher was Central's best.

The remainder of the team was built mostly from men who saw service last year, but who failed to win letters. Ernie Lampkins and Harter were running mates in the dash with Anderson. James also gave a good account of himself. In the hurdles, Al Hall blossomed out into a fine hurdler and helped our cause, while Royal Rice and Bill Kimball carried Central's colors in the pole vault. Adrian Kaan performed in the shot put, and did fine work in that event. Little Jim Baylis proved to be Central's ace miler this year, while Russ Ogren showed up well as a running mate to Charon in the half-mile.

The annual session room track meet brought out some fine prospects for the regular squad. Allen Hall copped first place in both hurdle events. His time for such an early date was exceptionally good. In the shot-put, three men managed to throw the iron ball over thirty-eight feet, which is doing pretty well. In the broad-jump, Jackie Barrows took honors with a leap of

twenty feet, a very good showing for such a bitterly cold day. Session room 112 won the meet having a grand total of sixty-four points. Room 204 placed second with forty-four points.

Baseball

BASEBALL swung into its second season as a high school sport in Grand Rapids this year, and although the going was still rather rough, the squad was better organized than ever before and was operated under a regular schedule.

Rip Matthews handled the coaching assignment, and managed to put a pretty fair team on the field. There were only a few veterans and reserves back from last year's squad, and all in all the boys did a fine piece of work. Several of the other schools put out very strong teams and our boys had all the competition they needed and then some.

The team played again this year without uniforms or equipment other than their own, but despite this fact, the sport has increased in popularity and in another few years baseball will probably be one of the established spring sports.

Front row—G. Conger, G. Middy, L. Koets, R. King, J. Ledford, A. Kempter.
Second row—J. Wagner, C. Ledford, E. Aldworth, Mr. Conger, J. Collins, J. Idema, R. Brower.

Tennis

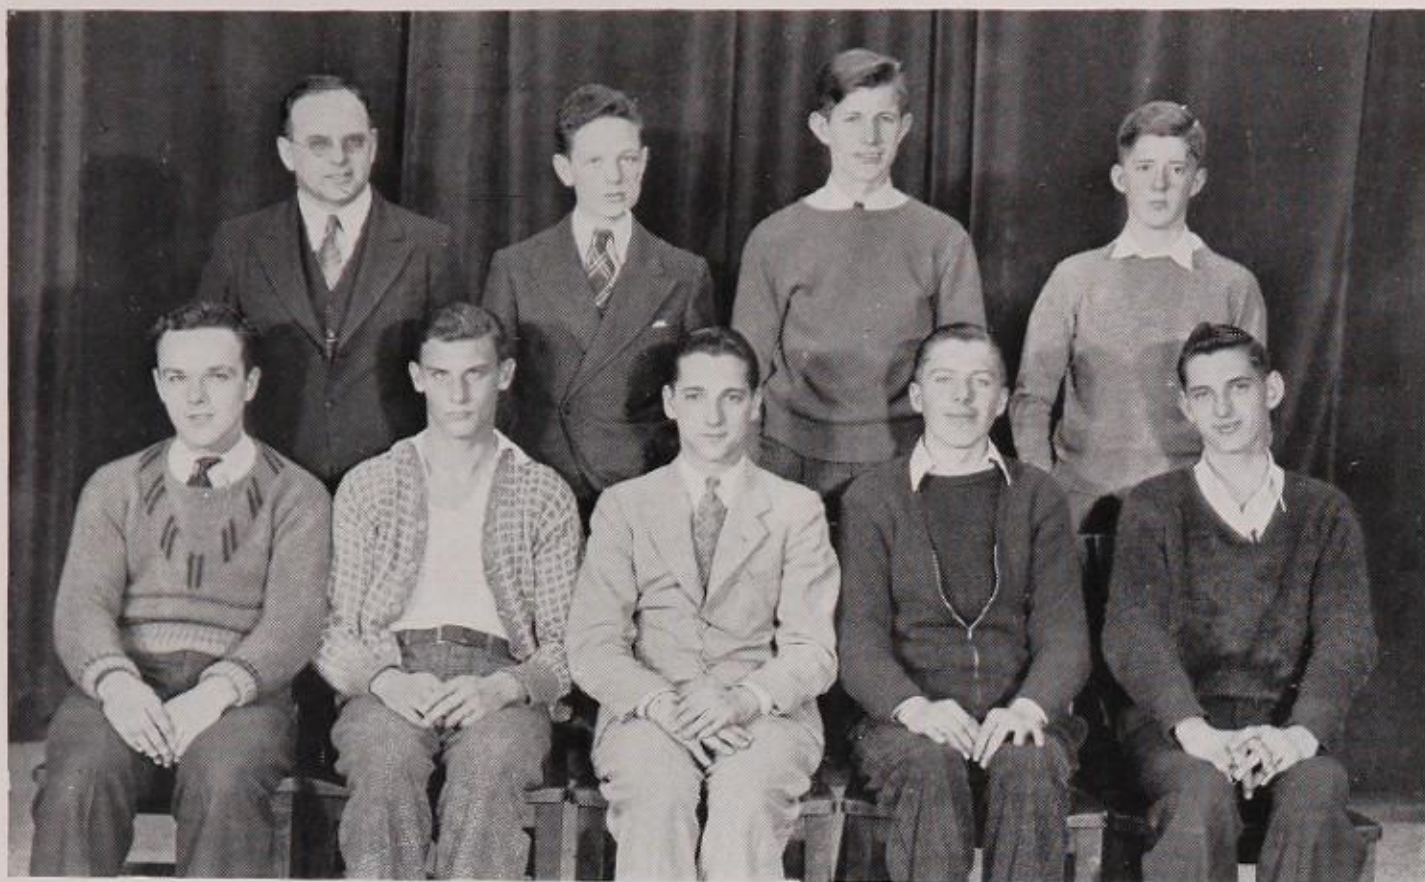

THE tennis team of 1936 is putting fourth its best efforts to carry on the blaze of glory left by its predecessor, the team of 1935. Despite the fact that there are six returning lettermen from last year's championship squad, the city race should be extremely close, inasmuch as the other city teams appear stronger than in other years.

Kempter completes his fourth year of varsity competition this spring while Conger finishes his third. King, Koats, Ledford, and Middy complete their second year of play.

All of the above mentioned men will finish competition this spring except King which means that Central will have to count heavily on new material for next year's squad. So for those going, a "Well done," and to those coming up, "Carry on."

The rankings of the players are as follows: 1, Kempter; 2, Conger; 3, King; 4, Koets. Doubles: 1, Ledford, Middy; 2, Wagner, C. Ledford, Idema or Collins.

Front row—J. Gruzka, M. Andrzyewski, S. Wisinski, S. Hula, E. Wisinski.
Second row—Coach Matthews, J. Clay, E. Kornoelje, T. Closterhouse.

Golf

COACH Rip Matthew's golf team blossomed out as a standout team of club swingers this year. Golf is another one of those spring sports that receives but little publicity, and the boys deserve a lot of credit for their fine work. Because of the very inclement weather, the boys got a rather late start this year, but at the same time they turned in some fine performances.

Stan Wisinski proved to be the most consistent performer, while Stan Hula was next best. Other boys who played on the team were Wisinski, Andrzyewski, Ewing, Clay, and Lockrow.

M. White

Front row—M. Ferguson, J. Bruce, E. Husen, E. Pupel, V. Pupel, J. Clark, O. Bilby, M. Blacklock, R. Averill, H. Leestma.
 Second row—Miss Campbell, J. Cline, D. O'Brien, L. Geer, R. Miller, V. Fischer, M. White, C. Hillman, H. Hewitt, M. Tapley, M. Koon, R. Wellday, J. Cline, B. Fyke, M. Banks.
 Third row—K. Cooper, E. Fecht, M. Hoag, G. Goldammer, H. Lobensky, G. Hartman, M. Goldammer, I. McNabb, J. Haynes, V. Martin, E. Freiberg, E. Kemps, T. Haan, R. Millerion, M. Sexton, G. Huizing.
 Fourth row—M. Nogle, V. Hanson, R. Wilson, R. Reinhardt, W. Woolsey, O. Burgering, E. Happe, B. Hazeltine, G. Parker, M. J. Clark, M. Dykstra, N. Zingler, C. Meitz, M. Bour, W. Tepper, M. Vanden Berg, C. Roelofs.

G. A. A.

FOR years Central High girls interested in any kind of sports have sponsored the G. A. A. Club. Membership is not based on scholarship but rather on interest in athletics. Many have worked for awards by participating in certain sports, Saturday hikes, and completing a fixed number of hours of outside activities; such as, roller skating, bicycling, swimming and tobogganing.

The officers for the years are:

<i>President</i>	Ollierae Bilby
<i>Secretary</i>	Ruth Averill
<i>Treasurer</i>	Belva Bruce
<i>Hockey Manager</i>	Marion Banks
<i>Basketball Manager</i>	Harriet Leestma
<i>Volley Ball Manager</i>	Mary Ferguson
<i>Hike Manager</i>	Virgilyn Pupil
<i>Recorder</i>	Janet Clark
<i>Individual Sports</i>	Evelyn Pupil
<i>Baseball Manager</i>	Mary Blacklock

GIRLS' BASKETBALL
 Front row—M. Banks, J. Scott, H. Leestma, M. J. Clark, M. Blacklock.
 Second row—M. Sexton, O. Bilby, R. Averill, Miss Campbell.

SPORTS MANAGERS
 Front row—M. Banks, Hockey Manager; E. Husen, Hockey Manager; M. Ferguson, Volley Ball Manager;
 E. Pupel, Hike Manager; V. Pupel, Individual Sports Manager.
 Second row—H. Leestma, Basketball Manager; J. Clark, Recorder; M. Blacklock, Baseball Manager.

A Vital Force in West Michigan

For more than 80 years the Old Kent and its antecedents have been serving successive generations in Grand Rapids and Western Michigan. . . . As you step into the business world bear in mind the fact that here indeed is a faithful partner and helper on your way to economic accomplishment and security.

Central Students are Always Getting into Hot Water

*No, we don't mean
what you think*

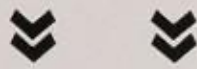

They are a fine, promising bunch of young people who have what it takes to go places. Clean mentally and physically, they go for hot baths, because they like the pick-up and sense of well-being which only a hot bath can give.

Central Dads are glad natural gas is coming to town, because that means lower gas rates, and for economy's sake they are planning to put in the new automatic gas water heater sold by the gas company. It is built like a thermos bottle and stores hot water ready for instant use. That's O. K. with the whole family, for it's a grand feeling to know there is always all the hot water you want, any time you want it.

With natural gas coming, every home can now afford the convenience of an automatic gas water heater.
